Guy, when you have a chance, please look at the attached current staffing plan and we need to determine the demobilization dates from your folks and if you need a replacement for them. Thanks

Nic,

Good afternoon. Attached is the spreadsheet I spoke with you about this afternoon. They really don't have to edit the spreadsheet, I just need the scheduled Demobe date and if they need a replacement for those positions. If they do need a replacement, for how long.

There are tabs at the bottom of the spreadsheet for each branch.

If you have any questions or need any assistance, please let me know.
